

## Hospital Booking Checklist

Dr Vivian Yang has given you a hospital booking/consent form to have a procedure performed in a private hospital.

We are providing you with this checklist to help make your booking and billing process as straightforward as possible.

1. Complete the hospital consent form & return it to the hospital prior to your surgery date. If you are booking into The SAN this form can also be completed online.
2. The Hospital will call you the day before your surgery. You will be told of the time you should arrive and fasting instructions etc.
3. If you have not already, you will need to pay the out of pocket cost as per the quote provided to you. This payment is required before the surgery date.
4. Following the surgery you will be asked to call our rooms to book a post-operative appointment with Dr Vivian Yang. This appointment is usually 4-6 weeks after your procedure.
5. An account will be sent to Medicare and the Health Fund on your behalf following the procedure. Once processed the cheques will be sent to you (approximately 4-5 weeks following the surgery). If you could kindly send the cheques to us at your earliest convenience.

Please feel free to call the rooms on **9874 7749** should you have any questions.
